Thanks for filling out [\[zku.ONE\] Application for March 2022 Cohort](#)

Here's what was received.

[zku.ONE] Application for March 2022 Cohort

Together we'll learn to apply zero-knowledge proof technology (ZK henceforth) to build on existing tools, in order to deliver timely, market-ready products for web3.

For more details on the different prizes and scholarships available at ZKU, please refer to <https://zku.one/>.

The course will start on February 28, 2022. Enrollment will be closed by 2pm PST, March 7, 2022. Completing this form does not automatically enroll you in ZKU. We will confirm your enrollment by email.

If you haven't yet, please join our discord channel at <https://discord.gg/wjFq2mAbX2>. We will send you the password for "verified-student" role in the server once we review your background assignment submission.
